Kates Speaks On Rotary's 4-Way Test

The Rev. Robert L. Kates, pastor of the Pascagoula First Methodist Church, spoke on Rotary International's "Four-Way Test" at the local club's meeting Wednesday at La Font Inn.

K. P. Canarella, Pascagoula Rotary president, said the local club is stressing the program, and he asked each member to frame a copy of it for his office or home.

The test asks four questions:

1. Is it True?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?

Rev. Kates said the formula was devised in 1932 by a young businessman for his company which was having financial trouble. It was designed to give the company superiority in the field of ethics.

The program was successful for the businessman, Herbert J. Taylor, and for his company and was later copyrighted by Rotary International, Rev.
